

Oversized Trash Item Pick-up

Normal household trash must fit within the confines of the dumpster

Please don't put items next to the dumpster

If you have an oversized item, such as a sofa, chair, wall-unit, contact the K-Hov office. The office will arrange for pick-up.

Do not put out your oversized trash until you have been given the go-ahead.

If we don't do it right, the trash hauling company charges us extra.
